

FUNDACION HONRAR LA VIDA is a non-profit organization since 1996. It has been working with children who have been victims of various forms of abuse. These children live in an environment of extreme poverty, where issues like alcoholism, drug addiction, crime, family dysfunction, and domestic violence are all too common.

Our work is focused in the northwestern part of Quito, specifically in the neighborhoods of Jaime Roldós Cooperative, Tiwintza, and San Enrique de Velasco. We run multiple childcare centers for children under the age of 3, as well as a primary education center for children ages 5 to 15. Here, we use an educational approach tailored to their reality, which has led to excellent results. Additionally, we provide breakfast, snacks, and lunch at our center.

The resources that make our work possible come from the donations of those who sponsor the foundation, giving a voluntary monthly contribution, as well as occasional support from others who join this effort.

Your support, with any amount, makes it possible for these children to have the opportunity to overcome challenges, move forward, and improve their quality of life, as every human being deserves.
